SPRING NEWSLETTER NO.29

Dear Parents,

We have had another very busy couple of weeks with lots going on at school.

I would like to say a big thank you to Miss Tyrell who finishes with us today. The children have enjoyed working with her and she has done some very interesting things with them. Mrs Dennis will begin on May 9th and the four days in between will be covered by Mrs Curry, Mrs Simpson and me.

Year 6 children will be sitting their SAT's test during the week beginning the 9th May. Please can parents ensure that they have early nights over the weekend prior to and during that week and they eat a good breakfast. They are the first cohort to sit the new tests and have been well prepared. We aim to make the week as stress free as possible as we know that the children will do their very best.

As we approach the hot sunny season may I remind you to send children in with sun hats and sun cream. It's best to apply sun lotion before they come to school and send extra should they need it in a named bottle please. School will also provide each class with a bottle of Nivea factor 30 sun lotion for children to use at break times.

Congratulations to all the runners who took part in the area cross country run at Yeovil recently. It was a hard race but everyone did very well. Also well done to the year 3/4 netball team who played in a tournament last week. They played 3 matches, won 2 and drew one.

Belated congratulations to William Chick who achieved a distinction in his level 1 guitar exam with a high score of 92%! Super work William.

Please may I remind all parents that if they collect a child during school time for medical appointments etc. that they come to the office and sign the child out. This is needed as part of our safeguarding /fire procedures.

Apologies for the late notification of the previously postponed netball and football tournament but we have only just received the date from Huish Academy. This will take place on Tuesday 3rd May in the morning-letters have already been sent out.

Request to Class 3 Parents, we still have 3 flutes that have not been returned to school following last terms Flute sessions with Liz Eveleigh. Please can I ask you to check cupboards, under beds at home etc. to see if you still have one and return it to the school office. Thank you

Sainsbury's Active Kids Vouchers – The last day for collection is **Tuesday 3rd May**, so if you have any vouchers that you wish to donate to school please place them in the box in the Library. Thank you.
