WINTER NEWSLETTER NO.61

Dear Parents,

Well we survived the Beast from the East –let's hope that it doesn't return in the same way at the weekend as the forecast suggests.

The last piece of the new gym equipment has been installed and the official opening has taken place today. The children asked Reverend Reynolds, Poppy and Albie to perform the cutting of the ribbon so the area is now in full use. A huge thank you to Poppy and Albie who gave a very mature and professional speech.

After Easter we are lucky enough to have Simon Lyons again to coach football on a Tuesday afternoon. We also have Andrew Skidmore in to coach cricket to those children in KS1. We are hoping to have Dave Peck back in to coach cricket to the older children. All these coaches teach to a very high standard and we are very fortunate to have them at no extra cost to the school.

Please can you ensure that your child has PE kit in school at all times. This week one class were unable to do PE because so few children had kit in school.

We have been impressed with the bee gardens that the children have designed as part of their home learning. They will be scrutinised by the governors on Tuesday and a design will be chosen on which we will base the new garden due to be developed at the back of class 2 next term.

Children in the tournaments on Monday will be bringing kit home today. Please ensure you child comes to school in their kit ready to leave Curry Mallet for a 9.30 start at Huish Academy.

We do appear to have several items of kit missing. Please could you look at home and return any kit that may have inadvertently been put away with you washing!

There have been a few sporting events taking place. The year 5/6 tag rugby team were in action this week and narrowly lost out in the final against King Ina.

Unfortunately because of the weather our cross country didn't take place. However, because of the generosity of parents the PTFA were able to hold an impromptu cake sale and collected £62.

The Willows

As we are coming to the end of the financial year could I please ask that any outstanding willows invoices are paid by the end of this term. If you need to know how much you have outstanding, please see Lorraine in the office. Thank you.

Kind regards
