SUMMER NEWSLETTER NO.32

July is with us already and we only have about 12 school days left!

Last week we interviewed for a new teacher for class 3. We had a large number of applicants of a very high calibre. Ms Louise Tyrrell has been appointed and will be starting her new role in September. Louise has done some supply teaching for us whilst Mrs Haddon has been absent and is well known to the children, staff and some parents. She is visiting the school on Monday afternoon and will be teaching in class 3 for the last 3 days of the summer term.

If any parents would like to make a contribution towards a leaving gift for Lucie, please could any contributions be brought to the office by Friday 15th July 2016.

Congratulations to Mr Richards who has been appointed as Senior Teacher by the governors. Mr Richards has been working at Curry Mallet School for the last 6 years and has contributed hugely in many ways during that period. I'm sure he will embrace the role.

Goodbye
On Tuesday we say good bye to Mrs Stone who has been working in Class 2 since April. She has worked very hard during her time with us and the children have enjoyed having her as their teacher. We wish her well as she leaves us and takes up her new post at Churchstanton in September.

Thank You!
I would also like to take this opportunity to thank Mrs Dennis for all the work she has done with class 3 during the last half term. She has built good relationships with all of the children and I know they have enjoyed being taught by her. Mrs Dennis will finish at Curry Mallet School on July 15th to take a well-deserved holiday!

A huge thank you also goes to all the staff and parents who attended the class 3 residential at Start Bay this week. Without their support this activity would not happen. The children have had a great time and have behaved impeccably. They will be tired and their bags may be quite smelly! No doubt over the weekend they will tell you about some of the activities they got up to.

The school play will take place on Thursday 14th July at the village hall. It has been a challenge to fit in two performances with so many other activities taking place so we have decided to do the afternoon performance and the evening performance on the same day. **Please see the separate letter for important details.**

Year 6 are having their day out on Tuesday 5th July. They have decided to go to Air Hop in Bristol and will be accompanied by Mrs Leighton, Mrs Simpson, Mrs Burt and Mrs Wickham. I know that it is also the day that their SAT's results are published but I will be able to share these with them before they leave.

The New School Website has gone live as of the 30th June, please log on and take a look.
