SPRING NEWSLETTER NO.43

Dear Parents,

Spring is on its way and it is lifting to see the snowdrops and daffodils brightening up the school grounds.

I'd like to start by saying a huge well done to Nathan and Abi who represented the school so well earlier this week on BBC Radio Somerset. They were interviewed on Wednesday Morning by 'Charlie' at the new hide in Swell Woods, (which all the children helped design and make last year) and the broadcast went out on Thursday at around 5pm.

Congratulations to **all** the children who took part in the cross country last night at Long Sutton. We had some fantastic results with the year 3/4 boys' team coming first. Harry Burdge and James Collins came 1st in their races with Sam Cannon coming 5th and Charlie Weatherill coming 6th in their races. Well done to all those who ran personal bests.

Thank you all for supporting the enterprise events organised by the year 6 children-all of them have raised enough money for their trip to the Houses of Parliament next week.

Just a reminder that all the letters we send home are on the website. I know that some children manage to lose them between the classroom and home, but they are generally put on the website the same day as they are published.

You should have all received the letters regarding the NSPCC programme '**Stay Safe Speak Out**'. If you require any more information please come and see me in the office.

Could I please request that all monies for trips etc. be put through classes and not brought directly to the office.

We are coming to the end of the financial year on the 31st March 2017; therefore it would be appreciated if any outstanding Willows invoices can be paid before this date.

Head Lice – We have been made aware of a case of head lice in school. Please could I ask you to check your children’s hair. There is guidance available through NHS Choices on the following link in respect of detection and treatment. <http://www.nhs.uk/conditions/Head-lice/Pages/Treatment.aspx>
